

REMARKS/ARGUMENTS

This application is a division of application no. 09/962,338 filed September 26, 2001 (allowed September 24, 2003). Claims 1-11, non-elected in the parent application, are the subject of this application.

The title has been amended to be consistent with the claimed subject matter herein and claims 12-36 have been cancelled. Claims 5 and 11 have been amended to delete multiple dependencies and to conform to U.S. patent practice.

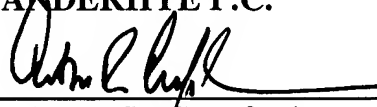

Figure 6 of the drawings was amended (reference character 55 is an error). The discussion of Figure 7 in the specification (reference character 106) is revised to agree with reference character 16 in Figure 3.

The above amendment to the specification adds cross-reference information to the parent application of which this is a division.

Examination of claims 1-11 is requested taking into account the concurrently filed Information Disclosure Statement citing the references of record in the parent application.

Respectfully submitted,
NIXON & VANDERHYE P.C.
